

# It's the perfect time to take advantage of the Hunt Deployed Spouses Program

Hunt understands how difficult it can be to have your active duty spouse on a deployment or extended TDY (30 days or longer) while you are here holding down the home front. In an effort to make the transition as smooth as possible for you, we have a program that will provide assistance to you.

The best part is, it's free for you.

**We are proud to assist our residents by providing backyard lawn maintenance during deployments and TDY in addition to our regular lawn service.**

## TO JOIN THE DEPLOYED SPOUSES PROGRAM:

Stop by the Community Management Office to fill out a Deployed Spouses Form and provide deployment orders. As soon as the information is completed, we will place you on the list. It will take 2 weeks to process your request, so as soon as you are aware of a deployment, please come to the office so we can start assisting you.

*Ask a member of your Hunt team for more details!*
