OHANA NAVY INSIGHTS NEWS & STORIES

Our President's Message

This Mother's Day will most certainly be unlike any before it. As the world, and our conditions, continue to change – one thing remains the same – the value we place on the mothers whose

sacrifices, commitment, and unconditional love enables families across the U.S. to thrive. On behalf of all of us at Hunt Military Communities, I'd like to give special recognition to those mothers who are deployed, on active duty, have children deployed, or are running military family households. Each of you are exceptional. For your families, you are the thread that ties it all together, and for the nation you are both the heart and the backbone. We are all grateful. Please join me in wishing every military mom out there a very special Mother's Day.

Best,

John Ehle
President - Hunt Military Communities

Hau'oli La Makuahine!

Happy Mother's Day to all the wonderful mothers who have been holding together their families through these rapidly changing times. We hope to help you honor the mothers of our communities by participating in a drive by Mother's Day Craft event. This will be by the Halsey Community Center Basketball Courts for drive by pick up on May 7, 2020 from 11:00 am to 1:00 pm.

This Memorial Day, *wear blue: run to remember* invites every American to join us in honoring fallen service members and their families' sacrifice. **We recognize this year may be different - but we're all committed to making sure it's no less impactful.** We invite you, your families and friends to join us, **virtually**, in honoring our fallen service members and their families' sacrifice. Please consider being a part of this special day to honor our fallen heroes by registering at:

RESIDENT SERVICES CORNER

Friendly Community Reminders

During these unprecedented times please remember that any public gathering places are closed. This includes all OMC amenity areas such as basketball courts, tennis courts, playgrounds and pools. Please respect the stay at home order and only venture out to exercise while maintaining a respectable 6 ft. distancing between your self and others or to shop for essential items for home.

Mahalo for your cooperation!

MAINTENANCE CORNER

Control Moisture

Too much moisture can cause mold and mildew to develop in certain spots. Your bathroom fan is a great way to keep things dry; turn it on before every bath or shower and leave it on until all the steam is gone. When you clean, always use non-abrasive cleaners to keep finishes intact and prevent dirt from building up, which can also attract moisture.

Your windows are another spot where moisture can accumulate. Make sure your windows are closed during rainy weather; leaving them open will let water in that can stain and rot your window sills. If you have curtains, wash them on a regular basis. For blinds, wipe them clean with a damp cloth and mild soap once a week. Once you get into a regular cleaning routine, you'll find that keeping your apartment looking great and avoiding maintenance visits is a breeze.

Maintenance Requests

As a friendly reminder, we have postponed responses to routine work orders and preventative maintenance requests until further notice. If there is an **urgent or emergency request**, we will be asking questions to identify any potential risk of exposure to COVID-19 to ensure the most appropriate response.

Please note our policy instructs all employees and 3rd party providers to stay home if they are ill or have been exposed to COVID-19. Please also be aware that as a precaution, our employees may utilize gloves, booties and masks while in the home. This is not indicative that these employees are infected with COVID-19.

STAY HOME, SAVE LIVES

Social distancing only works
if we all participate.

And slowing down or preventing
the spread of the virus
will save lives.

We all are responsible for protecting
those at higher risk.
