# OHANA NAVY INSIGHTS NEWS & STORIES

**THANK YOU!**  
WE ARE PROUD TO BE SERVING YOU AS A  
RESIDENT OF HUNT MILITARY COMMUNITIES

## Our President's Message

In the Spring of 2020, we partnered with Blue Star Families in a campaign to collect the most ingenious MilFam cleaning hacks. It was such a hit that we're doing it again this Fall!

AND all of the Finalist videos in that competition can be found at: [bluestarfam.org/milfamspringclean](https://bluestarfam.org/milfamspringclean). There are so many great tips there for you to check out! Stay tuned for more information in the coming days on the Fall version where we'll be collecting even more great ideas. We are proud to partner with Blue Star Families and want to encourage you to take full advantage of all the great (and free!) programs and services this awesome organization has to offer. You can and a local chapter, peruse career opportunities geared towards military spouses, and great activities for your kids, or participate in their many virtual programs by going to: [bluestarfam.org](https://bluestarfam.org). From all of us at HMC, I hope you and your family continue to remain safe and healthy.

## Backpack Brigade:

Our Team at OMC delivered back packs to residents that signed up for our backpack brigade program. Families signed up and told us why a back pack would be important to their little ones and their family. Each back pack was filled with markers, notebooks, pencils, and pencil boxes for little ones to utilize. We delivered/ handed out approximately 130 backpacks to residents selected here with Ohana Military Communities.

# Maintenance INFORMATION

Our maintenance team is dedicated to continue helping you with your work order needs. As a part of our Covid19 Safe practices, we ask all of our residents to assist in making it a safe work environment for our team by practicing the following:

- All persons must wear a mask while maintenance is working in your home.
- Practice Social Distancing and stay at least 6 feet apart from the maintenance technician. This includes adults, children & pets.
- Please inform our offices if anyone in your home is on quarantine &/or are suspected to have Covid19 so that we can reschedule your work order for a future date

We thank you for your assistance in helping our team serve you. Do not hesitate to reach out to our maintenance team or your RSO with questions.

## COMMUNITY ADVISORY BOARD

We are still looking for volunteers for our following communities: Hale Moku, Halawa, Hospital Point and Ford Island -Landing . Contact us for more details.

## PROPERTY INSPECTIONS

Our team is back to working remotely due to COVID restrictions. However, while maintaining social distancing and following within the safety guidelines we are still conducting property inspections. We understand that everyone is doing their best to keep little ones entertained but we do ask that toys be placed neatly back in your garage or lanai when not in use.

Swimming pools are a big relief from the sun and we love seeing our residents out enjoying their fun in their personal home pools. For safety purposes we ask that pools are ALWAYS attended to and safely put away when not in use.

Thank you for your understanding and cooperation.

## A MESSAGE FROM YOUR COMMUNITY MANAGER

Aloha Residents,

September 11 is slowly approaching and for those of us old enough, we remember where we were, how we felt, and how our country came together during this time.

Patriot Day, officially known as National Day of Service and Remembrance, is in honor of the individuals who lost their lives as a result of the attacks. This Patriot Day let us not forget how our country came together and united during this tragic time.

There is no doubt that this day changed the lives of many of our Military service members and their families. As always, we are thankful for your service.

Sincerely,

*Jessica Galindo*
