OHANA NAVY INSIGHTS

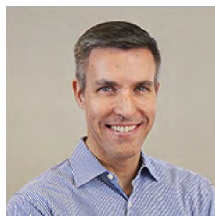

NEWS & STORIES

THANK YOU!

WE ARE PROUD TO BE SERVING YOU AS A
RESIDENT OF HUNT MILITARY COMMUNITIES

Our President's Message

From all of us here at Hunt Military Communities, I want to wish all the fathers out there the sincerest Happy Father's Day. Whether you are serving far away or close to home – or supporting a spouse who is active duty – your commitment to your country and families is admirable. We look forward to honoring you this month.

In May, Hunt Military Communities teamed up with wear blue: run to remember in organizing Memorial Day virtual run/walk events in our communities. wear blue: run to remember, a national, nonprofit organization is committed to building a running community that honors the service and sacrifice of the American military. This year, wear blue hosted the event as a virtual run/walk, enabling runners and walkers from all over the U.S. to continue on in the mission – to honor our nation's fallen by learning their stories, speaking their names out loud and honoring their legacies. Runners and walkers were encouraged to participate on an individual basis and became part of a living memorial to America's fallen heroes and showed of support for the families they left behind. Hundreds of HMC employees and residents participated in the event across the U.S.

Thank you to all who ran, walked, and supported this worthwhile event. It is because of your dedication to the cause we are able to honor and recognize our American fallen heroes in such a thoughtful way.

WEAR BLUE: RUN TO REMEMBER

For the past 3 years OMC has teamed up with Wear Blue to organize a run to honor the service and sacrifice of the American Military. This year, because of social distancing restrictions, there could not be a gathering like previous years but residents were still invited to a virtual run to honor these heroes. A memorial was set up at the Ford Island community center as a remembrance to our fallen service members.

We were so excited to see that our OMC Ohana still participated in this year's virtual run.

AC Care

Summer is here! As temperatures begin to rise outside, your AC will start working harder to keep your home cool. This is an extremely important time to care for and keep a close eye on your AC. Here are some tips on what you can do to help.

- Change filters monthly, or bi-weekly if you have pets.
- Check your drain line. Pour a cup full of bleach or vinegar down the drain line to keep it clear of any build-up to help keep the line from clogging and backing up which will cause the AC to stop working. Not sure where that is located? contact the RSO
- Set thermostat to the warmest comfortable setting, each degree about 75 degrees saves 3% of the energy used to cool your home.
- Make sure air intake registers are unobstructed.
- If you have not had your AC preventative maintenance completed within the last year, you can call maintenance or use the RENTCAFE app to place a work order.

COMMUNITY ADVISORY BOARD

Become a voice for your community! The CAB representative meets monthly with OMC community managers, maintenance managers and community directors and serve as community liaisons between the neighborhood and OMC management. We are in need for representatives for various communities. Interested? Contact our office for more information.

ILLEGAL PARKING

Avoid the cost and trouble of retrieving a towed car. Remember to use your carport or garage when parking your vehicles as these have been provided for your convenience. Please keep in mind that there are no additional parking spaces allocated for vehicles displaced by storage or personal goods. Additionally, vehicles parked in driveways must fit within the driveway without blocking the sidewalk or street traffic. Under no circumstances shall any vehicle be allowed to park or driven on the lawn or in common areas.
