

Our President's Message

Dear HMC Residents,

As PCS season begins to wind down, I am reminded of the feelings that go along with moving to a new duty station, adjusting to new neighbors, taking on a new role, and trying to find a sense of connection and community. The unique challenges and sacrifices of military families inspire us to continually improve our service delivery at Hunt Military Communities.

During September we will have several community-wide focuses. The first is Suicide Prevention Month. This month we will be hosting several speakers and sharing important educational materials on this most important topic. On average, 22 active or retired service members take their own lives each day, and unfortunately I know this pain too well having lost several of my Marines to suicide. We can help those in need by learning the warning signs and the appropriate resources available to help service members in need. Please look at the schedule of events you can attend and help us make mental health a priority for our military families.

The other notable event is the anniversary of 9/11. In memory of those who lost their lives and those whose lives are forever changed, we will be hosting Never Forget Walks in each of our communities. Additionally, we will have an opportunity for children to write a 100-word essay on "What It Means To Be A Patriot," to help them grasp the selfless commitment of their family service member. More information to follow on both of these important events. We look forward to your participation. Thank you for allowing us the opportunity to serve you.

History Corner

Doris Miller The Hero Cook

Doris Miller Park is one of our beautiful communities in Honolulu, but many new residents ask where the name comes from. The story of Doris “Dorie” Miller starts on December 7th, 1941 at 6:00 AM aboard the West Virginia. Dorie Miller was a crewmember who had just finished making breakfast for his crew and was about to begin his laundry duties when the first battery of torpedoes hit the West Virginia.

While heading to his assigned battle station, he discovered that it had been destroyed and instead reported for duty. He had never used a machine gun before but, was given a crash course on how to use an unmanned Browning .50 caliber anti-aircraft machine gun. He was only expected to load it but, immediately started firing the gun at enemy planes grounding at least two. When he ran out of ammunition, he started carrying injured sailors to safety.

Doris Miller was awarded the Navy Cross personally by Admiral Nimitz on May 7th, 1942 aboard the USS Enterprise. We are proud to honor such a hero within our Military Housing.

Shaka Shaka

Ever wonder where our “Shaka” came from? No one knows for sure but, local lore attributes it to Hamana Kalili of Laie. He lost 3 middle fingers in an accident and worked on the sugar cane trains as a security guard. We would wave at the children using his pinky and thumb, and the children started to imitate him. Today it is used as a greeting, a sign of approval or, solidarity. Either way, make use of it to show your Aloha spirit!

Maintenance Corner

What do you do when you notice that your toilet is leaking? Before even calling your maintenance team, you should turn off the water valve.

This ensures that the leak is not causing more problems while maintenance heads your way.

Simply rotate the shutoff valve located at the back of your toilet to the left until it stops turning.

To submit a work order, you can call your RSO or maintenance at (808) 839-4357. You can also submit a work order through the Hunt Resident Application.

You've seen them! If you have lived in our community for any time, you have met your fantastic hair girl, your favorite scent distributor, or your woodworking guy. We have some incredible spouse-owned businesses within our community, and it's time to give them some face time

It's easy! Every other Wednesday, we would love if you would drop a link, coupon, or recommendation for any spouse-owned businesses on our Facebook page. Let everyone know that these great companies are so that we can support each other.

RSO Corner

Welcome to September!

Summer has ended, and school is back in full swing. With so much going on, it is critical to have a firm plan for your child after school. Make sure they know who will be picking them up and where.

We have quite a bit of traffic in our communities and want to ensure that your children are safe after their long day at school.

Mahalo for being a valued resident, we appreciate you!

With aloha,

Ohana Military Communities
