COMMUNITY NEWS

Upcoming Vinyl Fencing Project at Camp Stover

We're upgrading to vinyl fencing for a more aesthetic and uniform appearance in our neighborhood. When work begins on your property, we'll share instructions. To help the team work safely, please:

- **Clear Your Backyard:** Move all items from your backyard to your lanai.
- **Ensure Access:** Keep the fencing area clear for the crew.
- **After Installation:** Keep the yard clear so contractors can install irrigation, seed the lawn, and complete a courtesy mow.

For Homes with Fenced Yards: Yard sizes may vary based on landscaping and terrain. Once fencing is installed, residents are responsible for backyard upkeep per community standards.

We appreciate your cooperation as we work to enhance the beauty of Camp Stover!

MAINTENANCE TIPS

Keep your AC running smoothly this summer by following a few easy steps at home and avoid unnecessary stain on the system.

- **Change or Clean Air Filters Monthly:** Dirty filters block airflow and strain your system. Disposable filters should be replaced every 30 days during heavy use. Free filters are available for pickup at our Self-Help station.
- **Clear Around the Outdoor Unit:** Keep at least 2 feet of space around your outdoor unit and clear away any leaves or debris.
- **Monitor for Unusual Noises or Smells:** Odd noises or smells could mean trouble, submit a work order if anything seems off.

DID YOU KNOW

If you have a concern with rodents or a pest infestation in your home, put in a maintenance request by calling (808) 784-7800 and selecting option 3, we're available 24/7.

TRASH & RECYCLING SCHEDULE

Trash and recycling collection days vary by neighborhood.

Be sure to place bins curbside the night before pickup to avoid missed collection—stay informed to keep your community clean!
