COMMUNITY NEWS

Keiki Hard Hat Tour of Hokulani

We had many residents from Hokulani, Halsey, Moanalua, Mc Grew, and Radford come to the Keiki Hard Hat Tour at Hokulani, where they got to experience renovation in action. This neighborhood is for our junior enlisted service members and has historically had severe sewage issues and was in need of other renovations. Part of what the remaining BAH allocation goes to are property improvements (like our new Halsey Destination Park) and home improvements, like hot water heaters being installed, roofs, and more. In addition to digging up these old pipelines in the home and back yards, we added vinyl fencing, roofs, hybrid water heaters, new ACs, new flooring, and more!

MAINTENANCE TIPS

Property Maintenance- Call us!

We are in the process of hiring a porter for our neighborhoods and have been trying to pick up the slack with our current team. Our porters are so important to help keep our communities clean (emptying trash and doggy stations, fitness center wipe refills, garbage left on the ground, power washing, and more). We appreciate your understanding during this time, and request that if you see something we may have missed to reach out to the RSO.

PS- know anyone wanting an entry level property management position? We are hiring! 😊
