COMMUNITY UPDATES

COMMUNITY NEWS

Fencing Project Underway

We're excited to announce that the **Camp Stover Fencing Project has officially begun!** This improvement will enhance safety, security, and the overall appearance of the community. Please be mindful of construction activity and follow any posted signage or detours.

Electric Lawn Mowers Coming Soon

We'll soon be **purchasing electric lawn mowers** for resident use! These eco-friendly mowers will be available to **rent from the Camp Stover Community Center**, making yard care more accessible and sustainable.

Community Center Hours

The **Camp Stover Community Center is now open on Tuesdays and Thursdays from 8:30 AM to 4:30 PM.** Stop by for assistance, rentals, or any community-related needs.

As a friendly reminder, **all Halloween decorations must be removed by Sunday, November 2nd.** This helps keep our community looking tidy and ensures a smooth transition into the next season. Thank you for your cooperation!

Our offices are closed on Tuesday, November 11th in honor of Veterans Day. We will reopen and resume regular business hours on Wednesday, November 12th, 2025.

MAINTENANCE TIPS

Prepare for Storms or Outages

Storms and unexpected outages can happen at any time. Here are a few tips to help you stay safe and prepared:

- **Build a basic emergency kit:** Include flashlights, extra batteries, bottled water, non-perishable snacks, a first aid kit, and any necessary medications.
- **Charge devices in advance:** Keep phones, tablets, and backup power banks fully charged when severe weather is expected.
- **Know who to call:** If you experience a power outage, contact our maintenance line at **(808) 784-7800, option 3.** Please note that **NAVFAC** is the agency responsible for managing power-related issues in our communities.
- **Unplug electronics during outages:** When electricity returns, unplug sensitive electronics like TVs, computers, and gaming systems to prevent damage from power surges.
- **Keep refrigerator and freezer closed:** Minimize opening the fridge and freezer to preserve food during an outage.
- **Use candles safely:** Candles should never be left unattended and kept away from flammable materials. Battery-powered lanterns are a safer alternative.
- **Stay informed:** Monitor local news or weather apps for updates on outages or storm conditions.
